LET US BUILD THE KINGDOM OF GOD

Jesus Calls Us All to be Missionaries for God's People

Beginning this weekend (February 11 & 12) and throughout the remainder of 2012 Ave Maria will take up a second collection as we accept Jesus'

February Missionary Second Collection

The vast majority of us cannot go to Africa, Haiti, China or other far away lands in order to bring food, medical care or the freedom Christianity offers. Our missionary activity must be to remain at home and be of a more supportive nature.

What can we do? We can support the above and many other missionary activities by donating money to fund those who do reach out to the poor, disadvantaged and needy in our own diocese and around the world.

♥♥♥♥♥♥♥♥♥♥♥♥♥♥♥♥♥♥♥♥

The Missionary Second Collection for February will help provide supplies, tuition assistance, scholarships and where possible breakfast and lunch for disadvantaged children.

Please be as generous as you can in order to further
Jesus' Mission as Servant King.

March Missionary Second Collection

The latest statistic is that 49% of births are to single women. We congratulate the women who choose to carry their child full term. But what happens when she cannot afford economically, physically or psychologically to care for her baby? How can we help?

The Missionary Second Collection for the second week of March will benefit unwed mothers, adoptions, and expenses related to giving birth and caring for a new born.

Please be as generous as can in order to further
Jesus' Mission as Servant King.
